

BETHESDA CHILD OF THE MONTH

June 2008

Michael -

Mike is an energetic and loving four year old. He and his sister Kedibone came to live at Bethesda in January 2008. They have quickly become an important part of the Kolokoto household.

Mike was one of five children who were removed from another foster care facility after concerns were raised about the care they were receiving. Since moving into the Kolokoto home, Mike has enjoyed having three brothers his age. They are often found outside playing with cars or on the playground.

John and Primrose have noticed that Mike loves to copy whatever his brothers do. He also loves to give a big smile and a hug to those who pass by his house. He is very friendly!

Mike

His parents are pleased with how Mike follows directions that he is given. He is quick to listen. Mike also keeps himself entertained even when his brothers are not around. He enjoys playing no matter what!

Mike struggles to tell the truth at all times and sometimes likes to tattle on others. These are areas that his parents would like to see him change.

Please join us in praying that Mike will understand what he learns about Scripture and salvation as well as learn to be truthful at all times.

Tumelo, Mike, Amo, and Jack

* Pray for Mike *

- That he will continue adjusting to a new family
- That he will understand his need of salvation
 - That he will be truthful
