

Bethesda Child of the Month

January 2012

Mike

Mike has been at Bethesda since September of 2006 along with his sister Rose who was featured last month's COM. Mike is going into Grade 2 this year and is looking forward to a new teacher and many new challenges. Mike loves to play games whether it is table games like *Uno* or *Candyland* or outside games with his friends. He enjoys spending time with people.

Mike's mom describes him as a quiet boy but not shy. He doesn't speak loudly or demand attention and always has a smile on his face. He is a great help to others and will often help with their chores when he has finished his own. His mom also said that that he isn't very fond of doing work around the house but will do a job well if he is given a task.

One of Mike's strengths is that when he is in a group of children who start to do something wrong, he is one of the first who will tell the others to stop. He is a peacemaker and doesn't like to see other children (or himself) in trouble.

One of the areas that Mike needs to grow in is developing his desire to finish his school work well and memorize the verses that they learn as a family. He has the ability to do his work well but sometimes choose to do other things instead. His parents would also ask you to pray that Mike will understand his need to accept Jesus as his Savior so Mike can grow to be a man of God who seeks to please the Lord in everything.

Please pray for Mike

**That he will soon understand his need for a Savior*

**That he will make good choices in finishing his school work and memorizing verses*
